Review of protected animals management framework

Changes to taking native animals from the wild

Taking protected scorpions, spiders and least concern amphibians for recreational purposes has been previously unregulated, which can threaten the conservation of a species.

A licence will be required to remove these animals from their natural environment and they will only be able to be purchased from a licenced seller.

In this guide:

- 1 [New licensing framework \(https://www.qld.gov.au/environment/plants-animals/wildlife-permits/framework-review/licensing-framework\)](https://www.qld.gov.au/environment/plants-animals/wildlife-permits/framework-review/licensing-framework)
